### 6. Scoring System

- 6.1. The series is defined as a 'Club Series' as detailed below.
- 6.2. Scoring shall be IAW Appendix A, and shall use the Low Points System, with the following exceptions for a 'Club Series':
  - 6.2.1. Scores for races in a 'Club Series' are allocated to competitors as opposed to boats. Competitors may race as either helms, or crews, or both; and will be scored separately as helms or crews. Competitors may sail different boats during the series. This changes Appendix A.
  - 6.2.2. Rule A5.3 will apply.
  - 6.2.3. In a Club Series a competitor's score shall be the total of their best scores from a number of races equal to one quarter of the number of races sailed. If one quarter of the total races sailed is not a whole number it shall be rounded to the nearest whole number. A competitor shall sail a minimum of this number of races to qualify for a series.
  - 6.2.4. The number of races counting towards the above qualifying score shall however not be less than three.
  - 6.2.5. If a competitor does not sail the required number of races in a Club Series they shall still be given an overall position. They will however be deemed a 'non-qualifier' and will not be finished higher overall than any competitor who has qualified. They will not be eligible for any trophies.

- 6.2.6. Club Series ties shall be broken IAW rule A8, except that excluded scores will be used.  
This changes rule A8.1
- 6.3. A minimum of 4 races are required to be held to constitute a series.
- 6.4. Solo fleet
- 6.4.1. The Solo fleet will also be scored in an additional sub-series.
- 6.4.2. This will be scored as a 'Club Series' above.
- 6.4.3. Scores for the Solo sub-series will be a boat's position in a race relative to all other Solo class boats only.
- 6.5. Competitors undertaking RO or safety boat duties shall score for those races their average score from the races they competed in during the series. Defined as 'RO average points'.
- 6.5.1. A competitor must have sailed the required number of races to qualify for a trophy however.
- 6.5.2. A competitor shall however only count 'RO average points' from no more than two day's duty.
- 7. Post-Race Penalties**
- 7.1. RRS Appendix T applies.
- 7.2. Advisory Meeting  
When there is an incident that will not result in the lodging of a protest or a request for redress, a boat may request an advisory meeting and notify any boat involved in the incident. An adviser will then call a meeting to learn what may have happened and will state whether any rule appears to have been broken, and by which boat.  
A boat may as a result notify the race office that it accepts a Post-Race Penalty when it applies to the incident, or choose to retire, but is not required to do so.
- 8. Divisions**
- 8.1. Helms will be seeded in to Divisions A, B and C by the committee.
- 9. Trophies**
- 9.1. The trophy for the overall winning helm is the Lundy Cup
- 9.2. The trophy for the first team in a two person boat is the Tom Carroll Trophy.
- 9.3. Trophies will be awarded for first crew, first Solo class, first Division B and first Division C.
- 9.4. Other trophies may be awarded by the committee.
- 10. Rights to use Names and Likenesses**
- 10.1. Competitors automatically grant to the organising authority without payment the right in perpetuity to make, use and show any motion pictures, still pictures and live, taped or filmed television of or relating to the series.
- 11. Risk Statement**
- 11.1. Rule 3 of the Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone." Sailing is by its nature an unpredictable sport and therefore involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:
- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
  - b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
  - c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
  - d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
  - e) The provision of a race management team, patrol boats, umpires and other officials and volunteers by the organiser does not relieve them of their own responsibilities;
  - f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances
  - g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held at the venue;
- 12. Insurance**
- 12.1. Boats are required to be adequately insured including insurance against third party claims of at least £3,000,000
